

Q Could you describe the improvements on the property to us?

A Yes. It is a 3-story frame building, about, I think 21 rooms - I am not sure, 20 or 21.

Q What did your aunt use it for?

A She used it for a summer boarding house.

Q She didn't stay there in the winter?

A Not for the last several years she didn't. She was there probably one or two winters. As a usual thing she lived somewhere else in the winter time; closed the house.

Q Mr. White, I will show you a deed filed in this case as Plaintiffs' Exhibit No. 1. Will you tell us whether that describes the property correctly or not? That is the first deed for the property?

A Yes, sir, it seems to.

Q And by that deed the dwelling house and lot was conveyed to your Aunt Ellen and your Aunt Mary?

A Yes, sir.

Q I will show you now Exhibit No. 2, being a deed to your Aunt Mary and Aunt Ellen White; and does that describe the other parcel of land which they purchased?

A I think so.

Q And where is that parcel of land situated with reference to the property described in Exhibit No. 1?

A It is on the southeast or east of the other lot; adjoins it, between that and the cemetery lot.

Q Is it a square lot?

A No, it is rather a wedged shape, I would say.

Q That lot lies between the cemetery to the United Brethren Church and the first lot that your aunts bought; is that right?

A That's right.

Q Could this property be divided among the heirs-at-law of Ellen M. White without loss to them?
